JOIN THE NEW SPORTING MOVEMENT

**CAMPUS SPORT
2024**

Prof Stan du Plessis

Stellenbosch University Chief Operating Officer

I am excited to welcome you to Maties Sport's new initiative: Campus Sport Bumper evenings. This is the opportunity for all our students to participate in their favourite sport, compete against one another in friendly games, and become part of the vibrant sporting community on campus.

This initiative will contribute significantly to our students' well-being and instill a love for an active lifestyle. What better way to unwind after a day than to participate in your sport of choice, connect with your peers, and enjoy healthy competition amongst each other?

On behalf of Stellenbosch University, I invite you to participate in this great initiative. I hope you will enjoy this initiative and create memories you will have of your years as a student on Stellenbosch University's campus.

Ilhaam Groenewald

Maties Sport Chief Director

In 2023 Campus Sport bumper nights were launched and provided students with the opportunity to enjoy sport in a different way, with multiple sport codes participating on one night. Spectators were encouraged to wear their residence colours and support their friends. Maties Sport envisions this initiative to be the pinnacle of leading a healthy lifestyle and promoting a holistic wellbeing for all our Stellenbosch University students. The second edition will be bigger and better with more than 13 codes represented, and we encourage all our students to join and be part of the new sporting movement.

Emma Hammond

SRC Head of Sport

Campus Sport not only fosters a sense of community and enjoyment but also serves as a vital outlet for students to unwind and recharge amidst the rigors of academic life. This inclusive environment promotes camaraderie, emphasizing that every student is valued and welcomed at SU.

Our TIERS

1 TIER

Tier 1 comprises of the traditional formats of each sport code's competition. For example, 7 vs 7 netball, or 11 vs 11 soccer. Students will be charged against their student accounts. All students and staff are encouraged and welcome to create teams, you can either create your own team, or enter through your Residence, PSO or Cluster. Contact the respective sport manager to enter a team.

2 TIER

Tier 2 is the modified version of the traditional format of the sport code's competition. For example, 5 vs 5 hockey, or 3 vs 3 basketball. All participating members will have to pay a membership fee. Students will be charged against their student accounts and staff will be able to pay directly to the sport club. You can enter a team through your Residence, or PSO or Cluster or take it in your own hands and make your own team. Contact the respective sport manager to enter a team.

3 TIER

Tier 3 will be inclusive of RALU activities and is free of charge for all who participate. Everyone is welcome to join these activities but please make sure to contact the relevant sport manager.

Our

ENTERTAINMENT

What's is in store for 2024?

Our WHY has driven us to action the following:

- To encourage more students and staff to take part in a structured and well-organized sport league. This will enhance wellbeing through an active lifestyle.
- To offer more sport code options to cater for diverse sporting needs.
- To build long-lasting sustainable sport clubs through increased membership numbers.

A total of 13 Campus Sport codes will take part which are inclusive of Hockey, Netball, Soccer, Cricket, Tennis, Table Tennis, Basketball, Volleyball, Esports, Chess, Water Polo, Badminton and RALU. Maties Sport have also created Tier groups. Tier 1 will be the sport codes traditional way of playing. Tier 2 will be a modified version of the sport code and Tier 3 will be where RALU codes will participate and will be free for all students.

Campus Sport dates in 2024:

First Semester

- 6 March
- 10 April
- 24 April

Second Semester

- 31 July
- 21 August
- 18 September
